We Celebrate Lent Activity Calendar

This interactive calendar uses children's natural curiosity to hold their attention and help deepen the meaning of Lent. Behind each lift-the-flap tab is an activity that families can share, such as drawing a picture that shows a way to help others, or taking a walk to look for flower buds and other examples of new life. Suggested readings help parents focus on the significance of the season and bring families together in prayer. 8 3/8" x 10 7/8". Ages 4-9
