

Dear Caring Adult,

Thank you for choosing this "Faith at Home" pack of activities. At baptism we promise as parents and as a congregation to place in the hands of the child God's Holy Word. This pack is intended to give you the resources that you can use to pass on the stories of God's faithful people to the children that are in your care. This pack is for use by parents, family members, Sunday school teachers, grandparents, or friends. It is our hope that these resources will be a blessing to you and your family.

Included in the pack are books for a variety of ages, DVD's, Games, and activities. You are welcome to use as many coloring or craft pages as you need. We ask that if you take it, please use it. To help with your learning as an adult, there is a copy of the Ten Commandments and their meaning that was written in the "Book of Concord" by Martin Luther. Also, there is a sheet for you to add your own ideas that we will include as we update the packs.

Please be aware that the Moses Action Figure is recommended for age three and older. Please use it as a prop for the story rather than a toy.

When you are ready to return the pack, please return it to St. John Lutheran Church, 300 Merrill, Nashua, Iowa.

Make sure that all the pieces are returned to the pack. Elsewhere in the pack is a list of contents!

Enjoy!
