

LYO

Networking High School Youth in Discipleship

Mission: To Network Youth and Youth Groups to Each other and the Larger Church.

2011-2012 Goals:

- 1) Create a leadership team of *about* 10 youth and 3 adults
- 2) Create an electronic newsletter for youth
- 3) Sponsor synod wide events including learning, service, and fellowship

2011-2012 Plan:

- To replace the LYO Board with planning team in which the youth will have more responsibility/opportunity and these will be more clearly stated
- To hold several single day events in the synod for Sr. High Youth in place of a two day LYO Assembly
- To continue to co-sponsor the Middle School Lock-In
- To support adult leaders by encouraging participation in the training events, webinars, and the extravaganza
- To support youth engagement in our companion synod relationship with the Evangelical Lutheran Church in Hungary
- To encourage youth in the fight against malaria by supporting the ELCA Malaria Campaign
- To support congregations attending the ELCA Youth Gathering
- To encourage and support youth attending WIYLDE
- To create an means of regular electronic communication between the LYO Leadership team and individual youth
