

Imagine...10 by 10

Imagine the NETwork of people, resources, relationships and funds needed to prevent, treat and contain malaria in Africa....

What if?

- Each ELCA confirmation student in our synod gave \$10?
- And asked 9 others to give \$10?

10 by \$10 by thousands!

What if???

- Every ELCA youth (6th – 12th) in our synod gave \$10?
- And found 9 others to give \$10?

10 by \$10 by tens of thousands!

Did you know??

Youth in the Rocky Mountain Synod took a challenge to “Be the Change” and pledged over \$60,000 toward the malaria initiative. AND, these same Youth challenged the adults to also participate, and another \$40,000 was pledged!

That's 10 by 10.000 = \$100.000!!

The GENEROSITY of YOUTH is CONTAGIOUS!
