

Prayer Box

This box is a gift from the Agape Team at St. John to families to encourage them to do devotions and pray together. Put your Bible, and the things that you use as a family in the box and place them in a place where your family gathers....such as the family table. Consider opening with "highs and lows," "roses and thorns," or "band-aids and blessings." During Lent there will be placemats that you can take home and use.
