Dear Friends;

As part of our Milestone Ministries, all children who are in Preschool and Kindergarten and their parents or caregivers are invited to participate in a special cross generational event and be recognized during the worship services (8:00 and 10:30) on Sunday March 6th, called "Teach Us to Pray". The focus will be on prayer and talking with God, all day and night time too.

As a family you will be invited to come forward during worship to receive a blessing and a special prayer pillow made just for you.

During our Sunday School Hour, we invite you to attend with your child. We will meet in the Kindergarten Sunday School room to have fun and experience talking with God. We know that even very young children can fold their hands and they know that Jesus is their friend.

St. John Lutheran hopes that the gift of a prayer pillow will assist you in talking with your child about the importance of prayer in all of our lives and encourages your child to talk to God, even at his or her young age.

Please call, text, or email Elayne at St. John (641-435-2396 or cell 641-220-0206) to let us know you are coming. Grandparents and God parents are welcome too! Just let us know how many to expect. We will have treats. We will be finished in time for the 10:30 worship service.

In Jesus Name, who taught us how to pray,

Elayne J. Werges, MA
