CONFERENCES FOR COOPERATIVE MINISTRY

Northeastern Iowa Synod, ELCA

www.neiasynod.org

Congregations of the Northeastern Iowa Synod work interdependently in geographical areas to form eight Conferences for Cooperative Ministry. By sharing gifts and talents and tapping available resources, congregations can creatively assist each other in their ministries.

Shared ministries of stewardship, evangelism, youth, education, and social ministry are initiated with gifts and resources available within the congregations, synod, churchwide ministries, and agencies and institutions of the church.
