

Family Camp Fire

Sundays 7:00pm-9:00pm

The Family Camp Fire is a time where families can come have fun and let loose. We do have a fire going and all the things you need for s'mores. The normal evening consists of starting with a prayer and playing kickball until we want to move to volleyball. There isn't much structure - it is whatever the group wants to do. Sometimes people bring their guitars, and we sit around the fire and sing. Other times we just run around and catch lightning bugs. It is a time when people can let loose and just enjoy one another's company.

We have had over 30 people there some Sundays. One of the best things that it is doing is that people in the church neighborhood have been coming into my office during the week, and asking if it is OK if they come to our Sunday night thing. "Of course you can come," I say "and bring whomever you would like," and they do. We now have a handful of youth that regularly attend who live within three blocks of the church. It is also bringing in our High School Youth as well. They come to play the James and play with the younger kids.
