PROJECT TWELVE

***Want to live a fuller life?***

***Want to be inspired?***

***Want to grow deeper in your faith?***

***Then visit Project Twelve!***

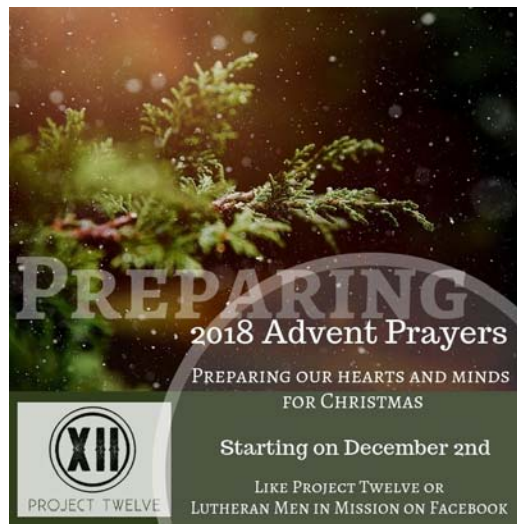

Project Twelve is an online resource devoted to helping men be better: as leaders, as husbands, as fathers, and as disciples of Jesus. We provide unique content, books, and videos on a variety of topics including: Faith, Personal Growth, Parenting, Health, Addiction, and much more. In a world where good help is hard to find,

Project Twelve seeks to outfit men with the tools to navigate a faithful and faith-filled life. Jesus calls us to follow Him - to go forward and farther than we can on our own.

Project Twelve is a launching point for guys who want to go and grow father, deeper and wider in their faith than before. The real blessing is in **using** the resources gathered here so that men can thrive personally, professionally, and spiritually.

***Starting January 29, 2019***

**Lutheran Men in Mission (LMM)** is partnering with **Lutheran Disaster Response (LDR)** to help hurricane victims recover in **St. Croix, US Virgin Islands**. You can be part of this by volunteering or supporting the volunteers with funds to help cover their expenses.

The work will primarily be related to rafters and roofing. However, there will be other opportunities to serve. As a result, all abilities and skills are welcome and will be appreciated. Participants will only perform tasks within their ability. The team will be staying in a former Episcopal elementary school.
